**By Train/Tube:** Kentish Town is the closest station and has services for the Underground (Northern Line) and over-ground train services.

Turn right out of the station onto Kentish Town Road. Follow the road until it forks. Take the left fork onto Highgate Road. Continue up Highgate Road until you reach Carkers Lane on your left.

Enter Carkers Lane, and walk past the brown security hut on your right hand side. Turn left as soon as you are past the hut and then straight up the slope to our office. You will see reception ahead of you.
